Toddler and Preschool Groups include a snack time and playground time. Please plan accordingly.

The Children’s Center for Communication/ Beverly School for the Deaf is a program that takes pride in utilizing technological advances for educational purposes. These endeavors are often used to honor and promote the positive activities that occur on a daily basis.

As part of standard practice, CCCBSD may use your child’s image for internal media on a regular basis.

CCCBSD defines internal media as photos/videos that can be viewed but are never shared externally as a hard copy or electronically (for example: photos in the classroom, classroom videos for shared experiences, photos/videos shown for events or presentations, etc.).

Photos and videos are also used for purposes that require external media. CCCBSD defines external media as photos/videos that can be viewed and/or shared as a hard copy or electronically (e.g. Newspaper, annual reports, YouTube, Facebook, etc.) CCCBSD will never post names of students to social media and websites. Only first names are given to newspapers. Parents will be notified if their child’s likeness has been photographed for a newspaper article.

If you have objections to your child being photographed or videoed for the purpose of external media, please specify your objections below. (for example: All photos are fine. No video *or* All forms of media are okay but do not identify my child by name.)

CCCBSD does not take responsibility for images taken of your child by non CCCBSD staff members that may be published as external media (e.g. a photo/video with your child’s image in the background at school wide events.). Further, I release CCCBSD, its Board of Trustees, employees, and other representatives from any known liabilities, known or unknown, arising out of the use of these materials.

My signature below indicates that I have read and fully understand all of the above and hereby give my permission on all points from this date forward. It is understood that once external media is published it is impossible to guarantee that the material can be relinquished 100%. Please understand that failure to sign this form will constitute approval of the above requests.

Additionally, I assume full responsibility for the care and well being of my child during all classes. (Not applicable for Preschool Group).
