A N N U A L R E P O R T

OUR MISSION

*The Children's Center for Communication/
Beverly School for the Deaf seeks to enhance the lives of
Deaf and Hearing children and their families living with
communication and developmental challenges
by providing comprehensive educational and
communication-rich programs.*

A MESSAGE FROM CCCBSD

Greetings and thank you for your continued support of our students and programs. There have been many wonderful highlights and accomplishments during the past year with our exceptional CCCBSD faculty leading the way.

This year, we celebrated the opening of our new, two million dollar Life Skills Center, a building designed specifically for vocational and transition work. The facility includes a full-size student kitchen, a smart lab for interactive technology, a STEAM lab for science and technology, as well as offices and storage space. We are proud to open this resource for students as we increase hands-on learning and life-long transition skills, which will lead to new opportunities for our students in the community.

The Institute at CCCBSD began to take shape with Dr. Sarah Brandt and Dr. Amy Szarkowski creating a number of internal and external projects. Some of their many initiatives include promoting research at CCCBSD and incorporating the Distinguished Speaker Series, a monthly academic lecture program. The Institute will expand our relationships and partnerships in the fields of Deaf Education, Communication Disorders and related disabilities.

The Parent-Infant Program (PIP) developed the Hand-in-Hand Program, a monthly workshop for parents of Deaf children, ages birth to 7. These learning sessions engage parents and caretakers with professional programs, where they learn best practices about raising a Deaf child. Taking place on Saturdays, the program also has staff fluent in ASL to provide full immersion for the children during this time.

Lastly, this past year, I was honored as a recipient of the “Difference Maker 100” award. Recognized by TIAA across the country, the award included a monetary value of \$10,000 to our school. Not only was this a humbling honor, but it reinforced the amazing work we accomplish at CCCBSD.

Best regards,

Dr. Mark Carlson, President/Executive Director

Anthony Fusco, Chairman, Board of Trustees

Anthony Fusco,
Chairman, Board of Trustees
and
Dr. Mark Carlson,
President/Executive Director,
CCCBSD

Dr. Carlson with CCCBSD Student

REFLECTIONS

Like our students, The Children's Center for Communication/Beverly School for the Deaf has experienced a period of transition. Just as many of our students have reached an age where they experience more skills and training, our school has reached a stage to offer more space, technology and life skills training to this group of young adults.

With the construction of the Life Skills Center, CCCBSD can now provide the much-needed educational resources to enhance our students' knowledge about life skills such as cooking, technology, and more. This new space encompasses all that CCCBSD stands for in its mission "to enhance the lives of deaf and hearing children and their families living with communication and developmental challenges."

*"Transitions in life can offer
opportunities for discovery."*

—Robbie Shel

PARENT INFANT PROGRAM (PIP)

The Parent Infant Program (PIP) is an early intervention and education service for families of children from birth to age three. Our program serves children diagnosed with Deafness, hearing loss and other physical, developmental, or communication-based disabilities. Through PIP, we provide families with information and guidance to make informed choices for their child's hearing and communication needs. Our PIP staff recognizes that the most important learning environment for young children is at home. Our educational team works with families to help navigate specialists, including audiologists, speech and language pathologists, as well as cochlear implant, medical and early intervention professionals. Our home visits offer a solid foundation for the child and family in their environment and educate them about hearing loss, Deaf Culture, and modeling strategies. Our on-campus playgroups for babies, toddlers and preschoolers are fun, interactive classes designed to build and strengthen language and communication skills through play, music, and activities with both hearing and Deaf peers. Another important focus of our program is preparing families for the transition out of PIP. We help educate parents and build their confidence to advocate for their children as they enter the educational system.

A recent initiative coordinated by the PIP program is the Hand in Hand educational series for parents and caregivers of children, birth to age 7, who are hard of hearing or Deaf. This monthly program offers an array of guest speakers pertinent to the field of Deaf studies. Free and open to the public, parents and caregivers are given the opportunity to relax and learn about important topics while their children enjoy structured play. Taking place on Saturdays, the program also has staff fluent in ASL to provide full immersion for the children during this time.

LONE GULL 2018

The 2018 Lone Gull 10K took off on a newly certified course for the 11th running of this popular race at Good Harbor Beach. A USATF Grand Prix Series race, the Lone Gull attracted many of New England's runners vying for the win. It was a beautiful day for running and the competition was intense among the elite runners. The men's race was once again competitive with the top runners finishing in seconds under 30 minutes. The women's division was competitive as well with 2 runners finishing in under 34 minutes. Jordan Mann of Providence, Rhode Island (29:37) and Hilary Dionne of Charlestown, MA (34:23) took first place in their divisions. Breakfast, as always, was a great hit, and runners of all abilities enjoyed another spectacular day. The race raised over \$28,000 for CCCBSD's programs and curriculum support.

SPRING SOIREE 2019

The 21st Annual Spring Soiree was an incredible evening with guests enjoying the Centennial Room at the Peabody Marriott to bid on the many silent auction items. This year's theme, Transition, tells the story of our students, ages 14-22, who are readying for the world outside of CCCBSD. Whether taking a trip to the grocery store to learn shopping and paying for groceries or an afternoon of bowling with friends, our students are exposed to many experiences that will help them for years to come. We are grateful to all our supporters; corporate and individual sponsors, advertisers, parents and staff who helped make the Soiree such a success. Overall, the event raised over \$100,000, including \$51,000 towards our new Life Skills Center. Our thanks.

OUR THANKS TO THE 2019 SOIREE SPONSORS!

FINANCIAL REPORT FROM THE CHIEF FINANCIAL OFFICER, SHARON MCGILLIVRAY

Sharon McGillivray, Chief Financial Officer

This past year we made continued investment in our campus and student learning space. In addition to amazing individual student achievements, it was one of financial success for CCCBSD. Our campus Master Plan continues to evolve with the opening of our new two million dollar, state-of-the-art Life Skills Center. This new structure is being used to enhance the educational opportunities and lifelong learning for CCCBSD students fourteen and older. We are pleased with our revenue from operations and thankful for our Board of Trustees and our donors who consistently and generously support our efforts.

Our IRS Form 990 and audited Financial Statement are available upon request.

THE MIRACLE LEAGUE OF THE NORTH SHORE

The Miracle League of the North Shore is an all-volunteer, non-profit organization that gives children with any type of challenge a chance to play baseball as part of a team in an organized league at no charge. Miracle League teams play on the school's custom-designed, handicap-accessible rubberized turf field that accommodates wheelchairs and other assistive devices. Miracle League uses a "buddy" system - pairing each player with an able-bodied peer. The result is a bond that is fun and exciting for all participants.

Each year, as the fall season ends, CCCBSD teams up with ASL Sports to put together a Halloween Spooktacular event for Miracle League attendees. Players show up dressed in costumes and participate in a variety of activities and games. It is a fun-filled way to wrap up the season.

Games are played in May/June and September/October. If you're interested in becoming a volunteer or know a child who would like to play in 2020, contact CCCBSD at playball@cccbsd.org or visit www.cccbsd.org for more information.

We look forward to a great season. Let's Play Ball!

SIGNIFICANT MILESTONES FISCAL YEAR 2018-2019

- Planning for CCCBSD's new strategic plan

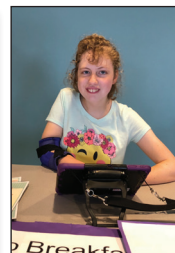

- Completion of Life Skills Center

- New Trustees
Bob Maunus and Alison Kenney

- Expanded opportunities for students in the community for work and training

- "TIAA Difference Maker 100"

Gaining Independence: CCCBSD Student Faith Continues to Improve Life Skills

Last year we introduced you to Faith, a bubbly, curious and friendly 18-year-old who loves to dance, take selfies and spend time with friends at CCCBSD. In our new Life Skills Center, Faith and her friends have increased their daily living skills with various activities, including cooking. Faith's teacher, Ms. Gugliotta, shares that Faith has increased her overall independence throughout school. She continues to develop her vocational skills, with a special interest in fashion! We are so proud of Faith and her progress!

DEVELOPMENT DEPARTMENT

Fundraising continues to develop as our school population grows with new students, new parents and new connections. Funds raised from the Annual Fund, the Spring Soiree and the Lone Gull directly support programs at CCCBSD. We share our stories, challenges and successes on social media, our website, and through events. Tours of the school are frequent and allow us the opportunity to show visitors our students and our school. Foundation support continues to grow and grant writing is an integral part of the fundraising budget. We are grateful for the support we receive from a variety of local and national foundations. This support allows us to purchase 'extras' that give our students the latest technology, improved curriculum, the best equipment, and an exceptional overall school experience.

MONTHLY GIVING • An Easy Way to Support Our Students!

You can make a difference every month! Go to www.cccbsd.org and click on the GIVE NOW button and choose an amount and frequency that fits best within your budget and goals. CCCBSD offers the opportunity to make contributions automatically through a credit card and every donation is tax-deductible.

HOW CAN YOU MAKE A DIFFERENCE? IT IS EASY AND MAKES A BIG IMPACT.

- Support the yearly Spring Soiree Auction and dinner and the Lone Gull 10K as a sponsor or attendee.
- Make a donation to the Annual Fund.

*For more information about these options,
please contact Jane McNally, janemcnally@cccbsd.org.*

OPTIONS TO DONATE

CCCBSD is a 501(c)(3) not-for-profit institution

- **Make a donation by check (payable to CCCBSD)**
- **Use our secure online service to charge your donation to your credit card**
- **Make a donation of stocks or securities**
Please call the Development Office for more information.
- **Double your gift through your employer's Matching Gift Program.**
Check with your Human Resources Department for guidelines.
- **Naming opportunities are available at various giving levels**
(Pledges can be made and paid over 4 years)
- **For many alumni and friends of CCCBSD, a charitable bequest is the easiest and best way to make a gift to the school. Please call the Development Office to discuss these options.**
