

VOCABULARY 4 SUCCESS:

THURSDAY, JUNE 6, 3:30-5:00PM
CCCBSD LARGE MEETING ROOM

ASL INTERPRETATION AVAILABLE

Dr. Shirin Antia will be presenting on CLAD's Vocabulary 4 Success (V4S), an approach to content area vocabulary instruction. The V4S instructional strategies will be of interest to both CCC and BSD communities as they relate to vocabulary acquisition.

Dr. Antia is co-principal investigator of the Center for Literacy and Deafness (CLAD), which aims to 1). identify child and instructional factors that affect reading growth; and 2). develop individualized interventions specifically designed for deaf and hard-of-hearing (DHH) struggling readers.

SPEAKER: DR. SHIRIN ANTIA, UNIVERSITY OF ARIZONA

Dr. Shirin Anita is a Distinguished Professor at the University of Arizona. She has directed the University of Arizona's program in education of Deaf and Hard-of-Hearing (DHH) students since 1980. She teaches courses in the areas of language development of exceptional students, inclusion, and research. She has conducted extensive research on social and academic integration of DHH children in inclusive programs. Dr. Antia is an internationally recognized expert in the education of DHH children. She has served on the editorial board of the Journal of Deaf Studies and Deaf Education (JDSDE), as a board member of the Council on Education of the Deaf, and as the president of the Association of College Educators-Deaf/Hard of Hearing.

FREE and open to faculty, parents, professionals, and college students.
