

MULTISENSORY INTEGRATION: EXPLORING THE BRAIN SCIENCE TO INFORM PRACTICE

THURSDAY, MAY 16, 3:30-5:00PM
CCCBSD LARGE MEETING ROOM

ASL INTERPRETATION AVAILABLE

SPEAKERS: DRs. SUSAN GIBBONS AND AMY SZARKOWSKI

Susan Gibbons, AuD, CCC-SLP/A, has been a pediatric audiologist on the cochlear implant team at Boston Children's Hospital for over 8 years. Prior to this, she was an audiologist/speech-language pathologist at Massachusetts Eye and Ear Infirmary. Dr. Gibbons is an adjunct professor at both Stonehill College and Emerson College.

Amy Szarkowski, PhD, is a psychologist and currently serves as the Clinical Director at CCCBSD. She is Core Faculty for the Leadership and Education in Neurodevelopmental and related Disabilities (LEND) program at Boston Children's Hospital. Dr. Szarkowski holds academic appointments as an adjunct Associate Professor at Gallaudet University and as an Assistant Professor in the Department of Psychiatry at Harvard Medical School.

FREE and open to faculty, parents, professionals, and college students.

RSVP to Tracie Tilton at tracietilton@cccbsd.org or 978-927-7070
