

American Sign Language Classes
*The Children's Center for Communication /
 Beverly School for the Deaf*

Spring 2021
VIRTUAL CLASSES

Learn one of the most common languages in the United States. ASL is the language most embraced by the Deaf community. You can use ASL in many settings – in your job, in a school, and even in social situations. Classes focus on basic vocabulary, fingerspelling, and strategies with Deaf adults and children, incorporating facial expression into communication, Deaf culture, and basic grammatical structures. *For adults ages 16 and up.*

(Please note that some classes may be cancelled due to low enrollment)

Registration deadline is Monday, March 8th

Classes start the week of March 15th

These classes will be held through ZOOM sessions and/or GOOGLE MEET. The classes will consist of no more than 5 students and an ASL Teacher. All of our materials will be shared through “shared screen settings.” In addition, we will share information on how to access the videos online during your free time.
