

American Sign Language Classes
The Children's Center for Communication /
Beverly School for the Deaf
Spring 2022
VIRTUAL CLASSES

Learn one of the most common languages in the United States. ASL is the language most embraced by the Deaf community. You can use ASL in many settings – in your job, in a school, and even in social situations. Classes focus on basic vocabulary, fingerspelling, and strategies with Deaf adults and children, incorporating facial expression into communication, Deaf culture, and basic grammatical structures. **For adults ages 16 and up.**

(Please note that some classes may be cancelled due to low enrollment)

Registration deadline is Friday, March 3rd!

Classes start the week of March 14th!

These classes will be held through ZOOM sessions and/or GOOGLE MEET. The classes will consist of no more than 5 students and an ASL Teacher. All our materials will be shared through “shared screen settings.” In addition, we will share information on how to access the videos online during your free time.
